CHURCH PLANTING MISSIONARIES IN MOZAMBIQUE, AFRICA

The Church in Mahotas

In September, we began working at a new church called Bible Baptist Church in Mahotas. This church was established two years ago by Bro. Lopez and his family, who are missionaries serving in Mozambique, sent from Mexico. In November, they will return to Mexico for a short furlough. While they are gone on a short furlough, we will be working at the church to help lead the ministry. This will be a great challenge for us as we are still in language school. But we believe that this experience will be a great blessing. During this short time, we expect to grow exponentially in our language abilities and ministry experience. Please pray for us and this church as we work together for the next 7 months. Also, pray for the Lopez family and their furlough.

Bible Study in Zimpeto

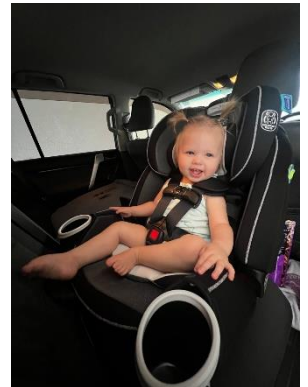

We are excited about the Bible study in Zimpeto. The Lord is blessing this ministry. We go out into the community each week to talk to people, share the gospel, and invite them to the Bible Study. New people come to the Bible study each week. Please continue to pray with us that more people will come, hear the gospel, and trust Christ as their Saviour.

Ladies Discipleship

Christen began doing discipleship classes with a couple of ladies from the church in Malanga. The pastor of the church asked her to help with these ladies. It is a significant challenge for her, but it is a blessing to invest time in these ladies. Please pray for Christen as she teaches these ladies, and pray that these ladies will grow spiritually.

Witnessing

Several days each week, we go out into different communities to share the gospel. We encounter a wide range of people with diverse ideas about eternity and salvation. Most people here lack a clear understanding of the gospel. Please continue to pray for us as we go out and share the gospel with people, and pray that people would receive salvation.
