# THE Clower FAMILY

## CHURCH PLANTING MISSIONARIES IN MOZAMBIQUE, AFRICA

Thank you for your prayers and support. The Lord is good and is still working in our lives.

### Furlough

Our furlough is going well. We have visited several churches to give updates about the Lord's work in Mozambique. It was so encouraging to see people who have been praying for us over the years. We are so thankful for all of our faithful supporters in the work God has called us to do in Mozambique.

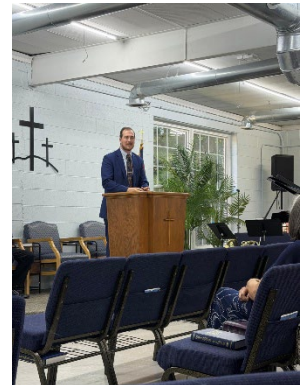

### Bible Studies

In Mozambique, the work continues. Some of our friends continue to work and serve in the Bible studies. In the market, the studies are growing. More people come each week to hear a simple lesson from the word of God. It is evident that Mozambicans are hungry to hear the truth. Please continue to pray for this work and others in Mozambique.

### Family Update

Christen is about 33 weeks along with our third daughter. The due date is November 25<sup>th</sup>. All the appointments have gone well, and the baby is healthy and growing. Please continue to pray for Christen and the new baby during the pregnancy.

### Portuguese Studies

Since we returned to the States, we haven't had as many opportunities to speak Portuguese. We still work on our Portuguese in other ways, such as writing, reading, and watching videos. We are also praying for opportunities to use Portuguese in the States as He puts people in our path. Please continue to pray for us.

### Looking Ahead

We are thankful for all the Lord did with us in Mozambique and look forward to starting a new church when we return in January. Please pray with us about this. I was thinking about Psalm 127:1, which says, "Except the Lord build the house, they labour in vain that build it." We cannot do anything, but He can do all things. We need His help for anything we do in Mozambique. We can begin praying now. Will you please pray with us about the future work in Mozambique?
