THE Clower FAMILY

CHURCH PLANTING MISSIONARIES IN MOZAMBIQUE, AFRICA

Missions Team Visit

During June, a missions team came to Mozambique to visit another missionary family. I had the opportunity to help with this group several days during the visit. It was a blessing to see a group of people excited for ministry in Mozambique. Their visit was not just a visit, but a significant event that left a lasting impact for each individual and for many Mozambicans that heard the gospel. They were a great encouragement to the other missionary families in Mozambique, and they made a significant impact during their time. The group distributed thousands of John and Romans booklets, receiving a great response. One day, we were walking through a neighborhood and came across nearly 200 people sitting in a park. We gave each person a John and Romans booklet and noticed that almost everyone in the area was reading them. The people of Mozambique are very open and receptive to the gospel.

Continuing to Study Portuguese

Every day, we continue to have language classes. It is a long and tedious process to learn a new language, but we are making steady progress. We are thankful for the progress that we have made. The Lord is helping us every day. Thank you for continuing to pray for us as we learn Portuguese.

Ministry Opportunities

I have continued to meet with different people to study the Bible. Many people in Mozambique are interested in the word of God and Christianity. Please pray that the Lord would continue to open doors and that we could help people here to grow spiritually.

Preaching in Portuguese

In June, I had a few opportunities to preach. We thank the Lord that I was able to preach in the Portuguese language. This is a huge answer to prayer. Although I still have much to learn so that I can communicate in Portuguese, it was a blessing and encouragement to preach in Portuguese. Thank you for your prayers.

More Future Plans

As we are learning more Portuguese, we are looking for more opportunities to do ministry. We have been praying about starting a Bible study in a neighborhood called Zimpeto. This neighborhood is growing rapidly, and it seems to be a good and strategic place to start a Bible study. Currently, I am making contacts with different people in the neighborhood and praying that we can start a Bible study in August. Please pray with us as we begin this endeavor.
