Missionaries to the Deaf

"There is no speech nor language, where their voice is not heard." Psalm 19:3

We praise the Lord that we are no longer in fundraising mode regarding our church property. This has also allowed my traveling schedule to be reduced significantly. It has been a blessing to just be home (kind of). We were given 60 days to move out of our house due to an incoming data center, but the Lord allowed us to find a place not far from our original house. We are now in the cardboard box stage and trying to find everything. Our church folks have been very helpful in the process.

We also praise the Lord that 2 adult Deaf men have professed faith in Christ recently - one was baptized and another is waiting to be baptized. Both of these men shared that they were tired of their sin and wanted to change. Another young hearing interpreter has been coming who wants to gain more exposure to the Deaf and sign language. My wife will be meeting with her this evening regarding her salvation. Please pray that we will see fruit from this.

We had the honor recently to attend the Home going Service of Dr. Don Sisk. He was such an inspiration to us and so many regarding taking the Gospel around the world. He will truly be missed, but he is with his wife, Virginia, now. Please be in prayer for our own missions month starting in September.
