

The SCOTT CRABTREE Family

Missionaries to the Deaf

"There is no speech nor language, where their voice is not heard." Psalm 19:3

In the past we have tried to do a 3-4 day missions conference but it tended to not work out so well for our people due to their work schedules and driving distance from the church. We switched to having a missions month which allows more people to participate. This coming Sunday will be our last day. We have enjoyed having John and Tricia Olson with the GO Deaf Missions team as well as Jordan Smith, who is a single hearing man going to the Deaf in Albania. Our people were very patient with him as he is learning American Sign Language while here and will then have to learn Albanian Sign Language once he is on the field.

The third Sunday was unique in that we had Bro. Gerald and Dawn Judd with the CLAIM ministry at BIMl. CLAIM has been super helpful with several much needed projects at our church. We would not have been able to accomplish these projects without them. Because he works with construction, we had a "Bob, the Builder" theme. Each of the kids at church were given an orange safety vest and yellow construction hat and took a picture with them. What's funny is that most of the younger kids didn't know who Bob, the Builder was, but the adults did! We will be finishing up this Sunday with Bro. and Mrs. Bob Larson with BIMl (Reseeding America). He will emphasize the need for Faith Promise with our people. I have been proud of what our people have done so far. We shared some needs and wants for our missionaries and laid them out on cards on the altar. Not one card was left and they took care of everything listed. They enjoyed doing it this way because it became more personal to them.

Stephone is a Deaf man who recently professed Christ, was baptized, and has been faithfully attending. It is a blessing to see someone like him wanting to grow and learn God's Word. We also have a hearing young lady named Olivia who has been coming with her two children. She is in an interpreter program learning sign language. She has been attending our Wednesday night Bible studies as well. Her husband is a non-practicing Mormon and has come to one of our monthly prayer breakfasts. Please pray that he will see the need for Christ. We want to be able to reach the entire family. Thank you for supporting the work here so that more Deaf (and hearing) may be reached for Christ.

**Can He Do
it?
Yes, He
Can!**

**Pray for
Stephone**
