

C.A.M.O. MINISTRY

a Compassionate, Active, Military Outreach **ARLAN & ELLEN DAVIS**

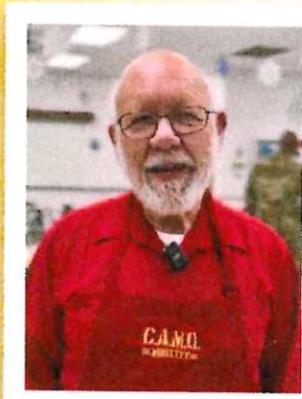

Supporting Spiritual Resiliency throughout Joint Base McGuire-Dix-Lakehurst

Nov 2025 - Jan 2026

Dear Pastor and Faithful Supporters,
Greetings in the name of our Lord Jesus Christ.

Important Note: It has come to our attention that a **fraudulent email (spoofing)** appears to have been sent using our email address, claiming that I, Arlan Davis, have broken my femur and have been hospitalized. This email is not from us. Please do not send any money in response to text, email, or social media requests. We appreciate your understanding as we deal with this distraction.

We are so thankful for each of you and for the role you play through prayer, encouragement, and support of CAMO Ministry. We wanted to share a brief update on how the Lord worked during this past Christmas season and invite you to continue praying with us for what He is doing among the military community.

This Christmas marked the 12th Annual Christmas Day Pancake Breakfast, and it was a tremendous blessing. On Christmas morning:

- 170 hot meals were prepared and delivered before 7:00 a.m. to service members on duty
- 65 additional service members and their families joined us to enjoy breakfast together

It was a joy to fellowship, encourage, and show the love of Christ during a day that can often feel lonely for those serving. We are deeply grateful to God for His grace and mercy; for you, our prayer partners; our faithful volunteers, the base chapel support staff, and our corporate sponsors.

We were also honored by a visit from the **Joint Base Commander**, accompanied by the Public Affairs Officer (PAO). The PAO recorded a short video of Arlan inviting others to attend breakfast with us. That video was shared on the base social media page by the PAO and received over a thousand reactions, opening many additional opportunities to speak truth into the lives of service members and their families.

Beyond the Christmas outreach, the Lord continues to open doors:

- Arlan, as a Coast Guard Auxiliary Chaplain, **offered the invocation for Wreaths Across America** at the Brigadier General William Doyle Military Cemetery
- **Coast Guard Station Barnegat Light has been added to our regular visitation schedule**, with visits planned every three weeks for consistent relationship-building

Praise

- **Two professions of faith**
- Many opportunities to share the Gospel
- Open doors for ongoing ministry within the military community
- The faithfulness of those who pray and support this work

Prayer Requests

- An additional work partner to help sustain and expand consistent ministry
- Continued fruit for our labor, that seeds planted would grow and bear lasting fruit
- Wisdom, strength, and discernment as we steward the opportunities God has given

Thank you for your prayers, encouragement, and partnership in this ministry. We are continually reminded that none of this happens alone, and we are **grateful for how God uses each of you to make this work possible.**

In the city of our God, in the mountain of his holiness.
Beautiful for situation, the joy of the whole earth,
Is mount Zion, on the sides of the north,
