

JULY/AUGUST 2025

# GERMANO FAMILY

## DOMINICAN REPUBLIC

### LOOKING BEHIND

As we've come to the end of the summer, we're thankful for how God has been moving here at Iglesia Bautista Dios con Nosotros. In July, we worked in preparation for our Vacation Bible School. As a church, we were able to go out into our neighborhood for canvassing, and we have seen fruit from this endeavor. During the first week of August, we hosted our fifth Vacation Bible School. We started the week with a smaller group than normal, but we are thankful that our attendance doubled by the last night of the activity. Please pray for God to continue to use the truth preached in the hearts of the children who attended. During August, we also began our English classes for the new semester. We have two new classes and many new students with us alongside the returning ones. It's also time for the new school year to begin here in the Dominican Republic. We had a special prayer of dedication for the children and teenagers as they start school. Our kids also began their next year of homeschool. Landon is now in 7<sup>th</sup> grade, and Elena has entered 5<sup>th</sup> grade.

### LOOKING AHEAD

We ask you to pray for Landon and Elena as they begin the new school year, as well as for the other students at our church. Also, please pray for us as we have opportunities to reach new families connected with the first-time students in our English classes. God has used this ministry greatly in the past, and we are trusting in Him to do so again in this semester. Additionally, we are continuing to work through the details of updating our church's incorporation paperwork so we can open a bank account. Please pray that we have everything in order to turn in. Once the documents are submitted, we will have to wait around two months to receive them back so we can open the account at the bank.

In Christ,  
The Germanos
