Taking a new church plant!

We have spent months planning for 2024 at Faith Baptist Church. The leadership and I have met, prayed over the year, planned out the calendar, set forth the theme for the year, the preaching schedule, making sure that each man training for the ministry has opportunities to serve in the ministry, and to preach in special services throughout the year. With all of our planning and preparation, God gave us a new opportunity that has changed the course of 2024, and we are honored and excited! There is a church plant in Ezeiza, about 30 minutes from Faith Baptist Church that a missionary family planted a year and a half ago. The missionary family has recently resigned as missionaries and returned to the States. We were asked to take the church plant. After praying and receiving counsel from our Pastor, we have taken Hope Baptist Church. The church is very young and is a great opportunity to reach others in the area! We had a special Sunday night service in January, and we had the largest attendance in the history of the church! Please pray for Faith Baptist Church and Hope Baptist Church as we lead the ministries. This is an incredible opportunity to advance the Gospel of Jesus! We planned other things for 2024 and we are so thankful for how God has added to those plans to include our new church plant, Hope Baptist Church!
