Our Upcoming "Friend Day"

June was an incredible month with special days at both churches, but the highlight was the 3rd anniversary of Hope Baptist Church, it was an exciting service and the Lord worked in the hearts of those who attended. We also celebrated Father's Day with our first "Pancakes with Dad" breakfast before the service. It also was a special service and something we plan on doing each year. We have also continued the English Classes as an evangelistic outreach and we have had people visit the church because of the classes! Missionary Robbie Prater has done a great job with the classes and we hope to see people saved as a result this month! We had our men's fellowship meeting and our pastor's fellowship meeting as well in June. Pastor Matías and I both preached in the pastor's fellowship and I believe it was a blessing to all who attended!

Friend Day is our special event this month at Hope Baptist Church. This will be an opportunity to invite friends and family to a special service (Friend Day is an actual celebrated day in Argentina). Thank you for praying for the ministry in Argentina.
