~ Serving Our 25th Year ~
**Missionaries to the Military
& Military Prisons**
since 2002

Dear Praying Friends and Family:

July 31, 2026

As I write this letter, Christine and I are traveling home from our annual Rock of Ages Ministries National Conference. We'll spend the next week with our daughters and their families before heading back to Joint Base Lewis-McChord.

Back in April, we held our second annual revival in the new NWJRCF chapel. We held five chapel services, and a total of eight incarcerated soldiers made professions of faith in Christ as their Savior. The military chaplain was thrilled, especially since we averaged about 40 men in each service. Many thanks to Brother Eric Peters and Bible Baptist Church in Puyallup for their support. The facility chaplain was especially excited because he had never seen that many men saved at any of his previous units.

Since last fall, I've been working in the prison an average of six days a week. Christine continues to serve as our chapel pianist and also assists with the small number of female prisoners we have. We also continue to minister regularly to the Military Police (MPs). We provide Bibles, Gospel tracts, and counseling, as well as pizzas and homemade cookies to encourage the MPs working guard shifts. In our last letter I mentioned the coffee fellowships we host after chapel services. We always provide snacks for both the prisoners as well as the guard working shifts. This continues to be a great ministry opportunity to build relationships with both the correctional staff and the prisoners. Thank you for those who have given specifically to help fund the coffee, tea, and snacks.

Please pray for all our active duty service members. So many of them are struggling, even with the basic difficulties of life. I often meet with MPs over lunch or coffee when they request counseling, and I've been blessed to lead several of them to the Lord over the past few months! In May, the first sergeant called and asked me to counsel a young soldier who was struggling with marital problems and experiencing an emotional breakdown. Not only did the Lord save him, but He also restored his marriage! I recently saw that same young MP working at the facility, and the change in his life is amazing. His platoon sergeant asked me how I had such a profound impact on his well-being and performance, which gave me the opportunity to give God all the glory and share the Gospel with him as well.

Our twenty-fifth year on the mission field continues to be one of our most difficult. As I mentioned in our last letter, my family and I continue to face some very difficult personal and family situations. With the long hours at the prison and the time spent dealing with these other issues, I often feel like I'm in a perpetual state of exhaustion. Additionally, I've been dealing with a few physical ailments that have been worsening since the beginning of the year. We simply could not do what we do without your faithful prayers. I know God will give us the strength we need to persevere, but please continue keep us in your fervent prayers.

As always, thank you for your faithful prayerful and financial support. With love and appreciation...

In HIS Service,

Chaplain Lance W. Hohenstreet
