Field Director for Mexico and Central America  
Administrator for MWBM  
Interim Director for MGPI

January/March 2026

Dear Pastor and praying friends,

*Romans 5:5, "And hope maketh not ashamed; because the love of God is shed abroad in our hearts by the Holy Ghost which is given unto us."*

Romans 5:5 is one of my favorite Bible verses. What a joy that God allows us to share His great love to lost souls every day! Thank you for sending missionaries to "shed abroad" God's love. Sherry and I want to say a special thank you to the churches that support and pray for us as we carry the Gospel message of the Lord's great love He showed us at Calvary.

We have been blessed to travel and preach in a good number of churches already this year. We have been blessed to be in both English and Spanish speaking churches. Pastors, we also have plenty of open dates and would be honored to come by your church to share the love of God with your dear people.

I have just heard back from my dermatologist and a skin cancer on my face has turned out to be squamous cell carcinoma. Thankfully, it isn't the worst kind but will have to have surgery on April 7th. Just want to thank you in advance for your prayers. So glad we serve a God that is more than able in every situation.

## Printshop News

Just a note to thank you for your prayers. Bro. David Wade has been able to make several repairs on the big press, and it is working well once again. It is so good to see the Gospel being sent out on the printed page. If you need good Gospel tracts, please let us know.

## Travel Times

Pray for my upcoming trip to Mexico on March 24th. I am looking forward to being in meetings there. We desire to be an encouragement to others and to see souls saved. We need the Lord to touch and use us that He might receive all the honor and glory.

We do ask that you pray for our safety, and not ours only, but for missionaries around the world. As we watch what is going on around the world, we can see we might be on the last lap of the race to carry the Gospel to a lost world. Let's do our part while the baton is in our hands. The trumpet could sound today, and this race down here will be over.

Here is something I almost never mention but would ask that you pray the Lord would help us see an increase in our financial support. We have nothing at all to complain about; our supporting churches have been so very good to us. We have churches that have been faithfully supporting us for many years, and we thank God for all that support us and pray for us. Yet over time, we find ourselves limited in several areas, and our desire is to be able to do even more.

God bless and use all of you,

Fred & Sherry Kindhart cell 864-915-8281
