

THE KUTINSKYS

“As we have therefore opportunity, let us do good unto all men, especially unto them who are of the household of faith.” *Galatians 6:10*

January 2026

Dear Pastors, Church Families, and Praying Friends,

I've heard it said that January is the longest six months of the year. With recovering from the holidays and severe winter storms like the one we just came through, it sure can feel that way! Even so, God remains faithful!

The first Sunday in January, we were able to present the ministry in two churches; First Baptist Church of Ebensburg (PA) and Freedom Hill Baptist Church in Johnstown, PA. I was able to share the ministry as well as a brief encouragement from God's Word in the morning services for both churches, as well as preach the afternoon Children's Church at Freedom Hill. We are thankful to both churches and their Pastor for their kindness and hospitality!

Throughout the month of January, we were busy with various ministry aspects here at GRBC. From office administrative tasks like updating the prayer bulletin, to setting up and taking down tables and chairs in the fellowship hall, to assisting with the preparation and serving tea at the Ladies' Winter Tea fellowship, to checking on our seniors following the severe winter storm this past weekend, it was a blessing to be able to do for our church many of the things God has called us to assist with for other ministries!

As for deputation, we have some exciting news! Bro. Cameron Weage of Bible Tracts, Inc. sent us the final version of our presentation video (click here in the email, or scan the QR code below in the printed version)! We are thankful to Bro. Cameron and the folks at BTI for their hard work, as well as to Bro. Nathan Fry from Lens of the Harvest for providing additional footage and images! Creating a presentation video is no small task, but it serves an important purpose for a missionary on deputation. This short 3 minute video will help us efficiently introduce ourselves, explain what God has called us to do, and how we intend to do our part! Additionally, we've turned in the last of our paperwork and we are thrilled to have a date scheduled for our interview with World Wide New Testament Baptist Missions! Please pray for us as we continue to contact churches about scheduling opportunities to present the ministry!

Missions work is a partnership not just between God and those He has called to a specific task within missions. We are thankful for the co-laborers God has given us who have partnered with us physically, financially, and through prayer; we are thankful for each of you! Would you join us in praying that God would use the new video to connect us with the partners He has for us? We appreciate those of you who not only pray for and with us, but who share your prayer requests with us so we can truly be partners in Christ! Please let us now how we can pray with you this month!

Your Fellow Servants,
Joe & Angela Kutinsky
