FEBRUARY 2024

REQUESTS PILING UP THIS YEAR!

Missionaries are Begging for the Word of God for their People on the Foreign Fields.

At the beginning of each year, Dad and I go over the Scripture needs given to us by faithful missionaries from every region. We already have thirty projected containers for 2024, and have received several new calls this last week. Your faithful support enables us to make plans to fulfill these needs. Thank you for all you do to publish the Pure Word of God!

Is there a more eternity-focused investment?

It's no surprise that inflation has hit the printing industry. Unfortunately, this has forced BLMF to order only two trailer loads of paper monthly, since each load is now \$10,000 more. Our goal and prayer is to be able to run both presses eight hours a day, five days a week. This will require many Churches becoming extravagantly involved in the sponsorship of paper rolls. As we wait for the Shout that is coming any second, could we encourage our folks to sponsor as much paper as God will provide? Our Pastor started a faith promise program for our Church just for paper – above regular support. Since then, Victory Baptist has sponsored tens of thousands of dollars in paper! Could we give God the opportunity to allow our Churches to do even more this year for the production of His Word?

Bible Paper Charts are available and enable every member of your Church to get involved with just \$25 increments spread throughout an entire year! Call to have one shipped!

WITH GOD, NOTHING IS IMPOSSIBLE

When the pandemic hit in 2020, a few of our missionaries' containers of Scriptures were locked down in their ports. The police and military discovered this in the Philippines and in Honduras. These wonderful groups actually requested that they could get the Bibles out of customs so they may distribute them with humanitarian aid.

As you see in the picture above, the police and military are still helping the missionaries in the distribution of our Scriptures! Roadblocks have even been set up so they can make sure every citizen receives their own copy! Only God can take a challenge and create a miracle! He assures us His Word will not return unto Him void! If we will print the Bibles, you can guarantee He will get them into the hands that need them around the world!
