

Bible & Literature Missionary Foundation Update February 2026

BLMF • Co-Founder: Dr. Robert Lemmon, Jr. • Director: Dr. Shannon Lemmon

LET'S DO SOMETHING FOR AMERICA!

"Blessed is the nation whose God is the LORD..." As we celebrate our Nation's 250th Anniversary, we give glory and praise to our Heavenly Father for His blessings on the greatest country on earth, but we also recognize the tremendous need of His moving on America once again. The newest statistics are revealing that less than fifteen percent of Americans attend some kind of "church" weekly. While the mission of this ministry has always been

to send Scriptures free-of-charge to foreign mission fields, we have felt led to do something great for our Nation this year. First to our supporting Churches, we are offering cases of our 250th USA Anniversary New Testaments or our 500th Tyndale Anniversary New Testaments at No Charge (Only Pay the Shipping charge or Pick up.) The patriotic New Testament includes our fascinating history and ways to pray for America. The Tyndale Anniversary New Testament includes 64 pages outlining the miraculous life and work of the English translator. In order for this Nation to continue sending missionaries around this world, our Churches must see people saved and disciplined here IN AMERICA. "The light that shines farthest must shine brightest at home" (C.T. Studd). Please take advantage of this opportunity to reach your community with the Printed Word of God! Call or email us!

On the Mission Field:

- Colombia has been flooded with the Scriptures from our container, and we praise God for the souls saved and the dear Pastors who came from multiple countries who were helped at the Pastors' Conference. Some of those men traveled twenty-six hours to come hear the preaching and take Bibles home for their church people. Brother Jeff Bellamy was able to distribute the remaining two containers in Uganda with tremendous reports. Thousands of Ugandans have been saved, and two churches have been planted because of our "Triple Container Day" last summer! In the Philippines, Brother Froi Medina and Missionary Ricky Martin have both received containers and have started distributing them to the public.
