

The LEMMONS

April 2026 Family Update

Dear Pastor and Church,

What a beautiful season Spring is, especially now since the Lord is bringing the rain! (That is a blessing, especially to our Churches who have experienced terrible drought!) All that rain provides for the blooming and growth we enjoy in God's Creation. Our family praises the Lord for the "blooming" and growth of BLMF we have seen accomplished to the glory of God! With every Church we are blessed to present the ministry in, we thank the Lord for the opportunity. It's an honor to us as we meet the precious people of these Churches, worship with them, and get the privilege of sharing this Bible-printing work!

This year has been action-packed with our family already visiting twenty-six different Churches – seeing many of them take BLMF on for regular support and/or sponsor roll paper. We praise God for His provision and safety for every mile, as well as all the special blessings along the way! Tiffany and Serenity worked hard on our Annual Women of the Word Ladies' Day, hosted at our church, Victory Baptist. Four hundred dear ladies attended from forty churches and a dozen states! She and the children are also still doing homeschool for fifth and eighth grade and helping me in the print shop when we are home.

Many church meetings are scheduled for the remainder of the year, and we are now preparing for our Annual Scripture Conference in October. Please make plans to come see us Oct. 19-21! You must visually experience the growth of BLMF in person, and you might be able to see our brand-new warehouse being constructed! Thank you so much for your support, your prayers, and your friendship. Your gracious giving and kindness are an encouragement to us each time we repack our suitcases to leave, praying God gives us one more supporting Church! We rejoice together – all four of us – when we see another Pastor and Church catch the vision of producing the Word of God for a world in need! May the Lord pour out the windows of Heaven upon you as we serve Him together until the Shout!

Please feel free to contact me anytime at (931) 205-1641. I'd be happy to hear from you and hear how God is blessing your ministry or how we may specifically pray for you!

Gratefully,
Shannon, Tiffany, Serenity, and Micah Lemmon
