Missionaries in **BOLIVIA** South America

March / April 2026

Dear Prayer Partners and Supporters,

Our opening service on March 1st went better than we could have hoped! We had over 120 people in attendance and each one received a Bible and a clear presentation of the gospel. We made many good connections that day and several families have continued faithfully attending our services.

Since our first service, we have been busy beginning new ministries at the church. This month, we began a midweek Bible Study and Kid's Club on Thursday evenings. It has been a great time of fellowship and opportunity for discipleship. We have already had several church events that have been well attended including a Father's Day cookout, special activities for Resurrection Sunday, Children's Day, and our graduation for the 12-week English Course. For several of these events, our building has been at capacity, and we are praising the Lord for the many lives He is allowing us to minister to. The last Saturday in April, we had our first monthly youth activity. We had about 20 in attendance, and it was a great time with games, food, and a lesson from God's Word!

Over the past several weeks, we have been praying about purchasing a church van. It would open several new ministry opportunities including a bus route to two nearby neighborhoods where we would like to start ministering. It would also be a great blessing to some of our current attendees that are elderly and walking to get to church. We already have \$3,000 saved toward a goal of the \$25,000 we will need to purchase a dependable van. We are praying that God will provide the funds for this purchase, and we hope that you will pray with us about this need.

Your servants for Christ's sake,
