

The McPikes to SCOTLAND

AND THE UNITED KINGDOM

mcpikestoscotland@gmail.com | @mcpikes_to_scotland

As many of you know, we are currently working with Breck Road Baptist Church in Liverpool as we train and gain ministry experience. This summer we have been able to complete many projects around the church property. In July, the Lord allowed us to replace the fencing around the front of the church. From funds to workers, He provided for the entire project, and we were able to finish it within a week!

The rest of July was spent making preparations for Camp Victory! Much work is involved in putting on a youth camp, and the entire CCHT team came together to make it happen! For two weeks before camp, we all come and stay on the property at Crown Hall. From food prep to groundskeeping to set building, everyone is involved in some way. It was a time of hard work, but also of sweet fellowship with one another! The first week of camp was July 28-August 1. We had nearly 250 junior campers, aged 8-11, and well over 100 volunteers doing everything from leading a tent of young people to washing dishes after meals. We were personally involved in cleaning, serving and cooking meals, working in the tuck shop, nursery for workers' children, counselling young people, etc.! Natalie also had the opportunity to be a team leader. (Go Knights!) Senior week was just as full, with teenagers coming from across the country, and even some from mainland Europe! Professions of faith and other decisions were made both weeks! We were privileged to be a part of it!

We are finishing the month of August with Crown Hall students returning for the autumn term, as well as the annual Heritage Bible Conference held at Crown Hall. Christians from churches locally and from further afield come together for three days of Bible preaching and fellowship. This year Pastor Morlan from our sending church in Tennessee, as well as Pastor Odom from one of our supporting churches in Florida, were the main speakers. The Lord met with us in a marvelous way!

We look forward to September as we get back into the routine of the school term. Please pray for the ministries that will be beginning again this autumn!

On August 30th, our sweet Eliza turned one! We can hardly believe we have already had a year with our girl! Her sweet and silly personality has added so much joy to our home. We look forward to seeing how God will use her life for His glory!

Praises

- Two wonderful weeks of camp
- An encouraging time at the Heritage Bible Conference
- One year with our Eliza!

Prayer Requests

- An open door into Scotland
- Those who made decisions at Camp Victory
- God's blessing and leading as we begin again with term-time ministries
