

The McPikes to SCOTLAND

AND THE UNITED KINGDOM

We are encouraged by how the Lord is working at the church plant in Norris Green, Liverpool! We have continued with outreach efforts, and the Lord has blessed and brought in several visitors over the last couple of months. We have really focused in on door-to-door evangelism, as we now have our own church tracts! Please pray that these tracts would make it into receptive hands! We have also been encouraged to have new children in the Norris Green Bible Club this month! Additionally, one of our club children has already signed up to go to the CCHT summer camp, Camp Victory!

In the month of June, the family we are training under here in Liverpool took a much-needed trip back to America to visit family and supporting churches. We have been able to help fill in the gap while they are away, and it has been very good experience for us! We have been very busy and are definitely thankful to have them back, but the Lord has taught us so much during this time!

We continue to be encouraged by the English class we teach each Friday. In the last couple of months, God has sent many new students. (One week we had four new students at once! We had to get out extra chairs!) We have been encouraged by their response, as we use the Bible as part of our curriculum. We offer free Bibles to anyone who attends, either in their own language or in English, and we have given many away in the last few weeks! We have also had several students join us for church services! Please pray for our students as this class breaks for the summer, that they would continue to come to other ministries of our church where they will hear the Gospel!

We are currently working to prepare for Camp Victory, the youth camp hosted by the Crown Christian Heritage Trust each summer. It is held on the property of Crown Hall, which serves as the base for the Trust. Camp goes for two weeks, running from the end of July through the beginning of August, with a week for juniors and a week for teenagers. From visiting our young people (both from Breck Road and Norris Green) to sign them up, to traveling to Crown Hall to prep the property, to getting together costumes, we are getting excited as we anticipate what the Lord is going to do! The theme this year is medieval, "A Time for Valour!" Pray for the young people who attend, especially those from the churches here in Liverpool, that camp would encourage them to take a valiant stand for Christ!

Additionally, please pray for the provision of a new tent for Camp Victory. Services are held under one tent, and another tent serves as a dining hall. The dining tent was badly damaged and needs to be replaced. This is a significant expense as quite a large tent is needed to accommodate all of our campers and workers. Please pray for the Lord's provision in this area. If you are interested in contributing, donations can be sent to:
