

# *The McPikes to* SCOTLAND

AND THE UNITED KINGDOM

mcpikestoscotland@gmail.com | @mcpikes\_to\_scotland

We have had a lovely summer here in Brighton! From church renovations to evangelism to camp preparations, it has been a very full couple of months! We are thankful to the Lord for several new faces that have joined us at WHBC this summer, many of whom found the church without invitation from us. We are learning that the Lord blesses our feeble efforts in such a way that we will know that He is doing the work! He will build His church!

After months of preparation, Camp Victory was held the last week of July and the first week of August. The theme this year was “Journey through the Jungle” highlighting the life of Jim Elliot. Attendance was at an all time high this year, with our teen week maxing out at nearly 280 campers! Thank you to those who gave towards the new shower house; it was finished just before camp and was certainly put to good use! We were especially encouraged to see two young people attend camp from here at West Hill. One young lady has been faithfully bringing guests with her to church each week since camp, and we are so thankful that the Lord is working in her heart about bringing her friends to Christ! Please pray for continued fruit in the lives of the young people who attended Camp Victory!

We are ending the month of August with the annual Heritage Bible Conference hosted at Crown Hall. Each year people from across the UK and mainland Europe gather for three days of fellowship, encouragement, and preaching. The theme this year was “Building and Battling,” and we were challenged to build our lives and families on God’s Word and His will.

As we head into the autumn months, we are preparing to resume our Friday English classes, and for the school term at Crown Hall. Please continue to pray for us as we spread the Gospel here in the United Kingdom!

## **Praises**

- Church growth
- God’s blessing on Camp Victory
- A wonderful Heritage Conference

## **Prayer Requests**

- An open door into Scotland
- Wisdom as we lead here at WHBC
- Continued growth in those who attended camp
