Church Planting Missionaries to Peru

Dear Pastor and Praying Partners,

These past two months have been such a blessing and encouragement to our family as we rounded out our time in the US and made our way back to Peru. God used this short time stateside as a way to rest our family, recount all that God has done in these past two years, and share our vision for the future. Thank you for your prayers as we traveled and for the gracious reception from the churches we had the opportunity to visit. It is with excitement and faith that we begin this next chapter to plant a new church here in Peru! Below are a few highlights from our travels and how things are going so far since we've been back:

I am grateful to the Lord for the churches we were able to visit on this short trip. Not only has God used them to care for our physical needs and the needs of the ministry, but God has used these pastors and church members to invest in our family in a personal way. We had countless meals and conversations that left us edified and encouraged as we returned to the field. Thank you for loving on our family!

In January Josh celebrated his 30th birthday with a surprise party with the whole family. They went above and beyond and made it a very special occasion. It was an immense blessing to see family and spend time together. It is not often we get to celebrate special occasions together, so we are very grateful when we do get the chance!

As soon as we arrived back in Peru and got settled in, we began the process of searching for a starting place for Redeemer Baptist Church. We began to searching from street to street with friends from the area looking for where we may begin. We are also working with several folks who work in the industry who are helping us find just what we are looking for. Our desire is to begin renting a space while we continue to save, with our sights set on purchasing a property for a long-term home for the church.

Would you pray that God would continue to provide these funds? Would you also pray that God would use us greatly in this community to be a light in an area where false religion is rampant?

Praises

- We had a wonderful short furlough that left us encouraged and excited to return to Peru!
- We arrived safely and are gearing up for our new church plant!

Prayer Requests

- Pray that God would open doors for us to rent a space for Redeemer Baptist Church to meet.
- Pray for continued provision for a land purchase as a permanent home for the church.
