## Church Planting Missionaries to Peru

### Dear Pastor and Praying Partners,

As December comes to a close, we find ourselves thankful and reflective. This month marked not only the Christmas season, but also the end of another year of ministry and life here. Looking back, we are grateful for the many ways the Lord has provided, guided, and sustained us. Often in ways we didn't expect, but always in ways we needed. Here is a summary of this month and a close to 2025:

#### Ministry Update

December was full at both Redentor Baptist Church and Salvador Baptist Church. Each church hosted a Christmas concert with over 100 people in attendance. There was music and evangelistic videos throughout, ending with a clear gospel message about the name of Jesus, the only name that saves. What stood out most to us was how the churches worked together. Many members gave their time and energy, and it was especially encouraging to see children practicing and singing alongside adults. We are deeply thankful for God's provision and guidance this past year, and we continue to depend on Him as we seek His wisdom for the decisions ahead.

#### Family Update

This month was also very special for our family. Both sides of our family were able to visit and spend time around the holidays with us. It meant a great deal to have our children celebrate Christmas with their grandparents for the first time in years. We don't take this lightly and are truly grateful for family who supports us and willingly sacrifices so we can serve here. The time together was refreshing and a gift from the Lord.

#### Looking Back & Ahead

As we look back on this past year, we are thankful for God's faithfulness. It was a year with many changes and unexpected turns, yet the Lord walked us through each one. As we look ahead to the new year, we are leaning into what God has already shown us about His faithfulness, trusting Him for what's next. We don't know all that lies ahead, but we are confident that the same God who has carried us this far will continue to lead us forward.

Thank you for praying for us and for being part of what God is doing here!
