Church Planting Missionaries to Peru

Dear Pastor and Praying Partners,

God has continued to bless His work, and we are grateful for the privilege to participate in His ministry here in Peru. This month has been packed, but has revealed to us time and time again of the faithfulness of God and His constant provision for His work!

Matched Giving

I am pleased to celebrate with you how generous you all have been in contributing to the matched giving campaign. Of the pledged \$25,000 match, we have received \$19,000 in eligible contributions! The donor of the matched funds has agreed to extend the giving period in order to raise those last \$6,000. If you would like to participate in this opportunity, please send any contributions through our website www.millerstoperu.com or by mail to the address at the bottom of this letter. We are praying for a home for Redeemer Baptist Church, and each contribution made is a step toward that end!

Youth Group

I am encouraged each time I see the effort that our young people put into the weekly youth meeting. They are always seeking new ways to invite friends and welcome them into the group where they will receive Bible teaching, community, and encouragement. Please pray for these young people who are forming the future of the ministry here in Peru!

Visiting Group

We had the privilege to host a group from Beacon Baptist of NC this month. They were able to canvas several new areas and invite thousands of new people to church, participate in English classes (which quickly evolved into great opportunities to share the gospel), and preach in our regular services. We are grateful for their spirit and desire to serve others, and we pray that they returned home with a renewed burden for their own community and the world.

Church Outing

In July we finished a series of messages on the importance of community in the Christian faith. We were not made to walk alone, and we need our brothers and sisters in Christ in order to live out our faith in obedience to the Scriptures. We took action on these principles and planned some intentional time together as a church to promote growth and community. Please pray for this community to grow in depth together!
