Church Planting Missionaries to Peru

Dear Pastor and Praying Partners,

We are grateful for another month of ministry and for your continued prayers and support. The Lord continues to open doors for the gospel here, and we are encouraged by how He is working in hearts. Thank you for partnering with us in what God is doing in Peru.

Redentor Update

This month at Iglesia Bautista Redentor, we have been praying through an important opportunity. A piece of property has become available in the heart of the area where we are working. It is a densely populated location with great ministry potential, though access could be more difficult for some. We are asking the Lord for clear direction and for provision if this is the place He would have us secure. **We also still have \$10,000 available in matched giving that we are praying to take full advantage of.**

We were also encouraged by a special ladies outing where a group of women gathered and were ministered to by my wife on the importance of the thought life. It was a meaningful time of encouragement and spiritual growth.

In addition, we had a "back to classes" time where we gave school supplies to students and prayed over them. It was a sweet moment to commission them to be lights for Christ as they return to their schools.

El Salvador Update

At Iglesia Bautista El Salvador, I had the opportunity to preach on the greatest hope we have, encountered not in what we experience here on earth, but in being found in Christ. It was a needed reminder for our church family.

Please continue to pray for this church. Several key members will soon be returning to Venezuela. While this is a loss for the church here, we are praying that the Lord would use them as gospel lights in a place that has been in great spiritual need for many years.

Family Update

This month we celebrated Hosanna's 7th birthday. She is a sweet little girl who is constantly thinking of others. We pray that her care for others would continue to grow as she reflects the love of Christ!
