Church Planting Missionaries to Peru

Dear Pastor and Praying Partners,

Redentor Update

At Iglesia Bautista Redentor, we hosted a special Mother's Day event for the mothers of our church as well as family members, friends, and ladies from the community. Around twenty mothers joined us as we celebrated them and encouraged them from God's Word. We are thankful for the opportunity to invest in these ladies and build new relationships within our community.

Another highlight of the month was celebrating the second anniversary of Iglesia Bautista Redentor. It is hard to believe that two years have already passed since we began meeting together as a church. Looking back, we are reminded of God's faithfulness every step of the way. For this special service, my former language school teacher, who now pastors another church here in Peru, preached the anniversary message. It was a blessing to have him with us and reflect on all that the Lord has done.

We are also thankful that the opportunity remains to raise funds toward a permanent location for Redentor. A generous donor has offered to match gifts dollar-for-dollar up to \$10,000 toward our future property. Please pray that the Lord would continue to provide as we seek a place of our own for the ministry.

El Salvador Update

At Iglesia Bautista El Salvador, we are encouraged by how God continues to work in the lives of the people there as well. One exciting update is that our youth pastor recently became engaged and is planning to be married this December. As we look toward the future, we are praying that the Lord might use this young couple in a significant way, perhaps even as part of a future church plant. Please pray for them as they prepare for marriage and seek God's direction for their lives and ministry.

Family Update

On the family side, we enjoyed celebrating Allie's birthday this month. We are thankful for her loving care, sacrifice, and investment in both our family and the ministries God has entrusted to us here in Peru. We are grateful for another year of God's goodness and blessing!

Praises

Several finishing discipleship courses and ready to disciple others!
God continues to grow and strengthen both churches.
