Church Planting Missionaries to Peru

Dear Pastor and Praying Partners,

September is usually a full month for our family, and this year was no exception! We are grateful for the ways God has continued to demonstrate His faithfulness in our lives. Here is a quick look at our month here in Peru:

Property Update

God has been faithfully providing through the generous giving of His churches to support the need for a property purchase for our church. Thankfully we are still able to meet in our rented space for now, but we know our time is very limited, and it will not be our home for long. Our vision is that Redeemer Baptist Church would be a mother-church to many more church plants in our city and beyond. Would you pray with us and consider how God could use you to meet the needs of this church?

Church Outing

One of my favorite aspects of planting a new church is the privilege to direct its culture. We have intentionally pushed to have a congregation that is not limited to four walls on Sunday mornings. One way we have sought to promote this is regular gatherings in a nearby park. On this occasion we had over 60 people from our church participate, including several new visitors! Praise God that He continues to grow His church both in size as well as depth!

Family Update

September is a special month for our family as we celebrate our anniversary and the birth of our oldest daughter, Eden. This year we celebrated 11 years of marriage by visiting Lake Titicaca, the highest elevation lake in the world at over 12,000 ft above sea level! Since the 1500s there have been Peruvians living on floating islands on the lake, and we are thankful we had a chance to see how they live. They even had a floating Adventist church – would you pray for a floating Baptist church one day?

Praises

God continues to provide for a property purchase!
God is using our circumstances to push us to move into a new meeting space. Lord willing, a permanent one!

Prayer Requests

Please pray that God would make our next steps clear in finding a new meeting space and that He would continue to provide for a permanent home for our church!
