Spring 2025

Dear Memorial Baptist Church,

We continue to be grateful for all the ways that you support us—prayerfully and financially. Without your faithfulness in these areas, we could not accomplish all that we are able to do in the ministry. Reciprocally, we pray that the Lord will return to you the blessing that you have been to us; it's the principle of sowing and reaping!

ORH team members are on their way to Peru for another medical clinic with missionaries Buddy and Loren Fitzgerald with whom we have partnered since 2007. So much has been invested over these years, so many have heard the Gospel, and so many have received Christ as Savior. All this is fruit to your account!

During the first week of June, ORH will again host another boot camp as part of our YSOC (Youth Special Operations for Christ) program which trains teens who wish to be part of a medical team. We are excited that our oldest granddaughter will be attending, and we are looking forward to her future participation on a clinic, continuing the third-generation Milton ORH history.

We are eager to visit many of the churches who donated to our relief efforts in California, Tennessee, North Carolina, and Florida after the devastating damage done by the fires and hurricanes at the end of last year. Many families lost much, but many lost everything. Continue to pray for these folks as they try to rebuild. Continue to pray for the churches who are still ministering to those affected.

In closing, please remember these general requests on behalf of our family and ORH:

- ... for safety for clinic team members travelling and ministering.
- ... for opportunities to present the need for additional medical and nonmedical workers.
- ... for the presentation of the Gospel to those we meet daily.
- ... for additional contributions to help after disasters.
- ... for a deepened love for Christ, His Word, and His people.

Yours for the Gospel,  
Jan and Debbie Milton
