Learn and Observe Evangelism In Real Time

## UKRAINE!

I am in Ukraine. Another missionary and I are assisting a Christian doctor to distribute medical supplies and Gospel literature. The missionary said there will be opportunities to do street evangelism too. We will be working in Odessa and Mikolaiv (pronounced "Mick'-oh-lee'-of). Please take a moment to pray for the following...

- For people to be helped, reached and saved!
- For Spirit power, guidance, and wisdom!

- For safety and security!

Please also pray for the Lord to supply competent translators. I am believing God to do great things on this mission!
