Dear Brothers and Sisters in Christ, July 20, 2026

Our summer here at New Life Baptist Church has been one filled with blessings.

We had our charter service on July 12th, where 27 believers officially entered as members.

They were asked to sign a statement of their acceptance to the Baptist doctrine and to their personal faithfulness and dedication to the church.

There are others who would like to be members, but they have yet to either be baptized or married. Please pray for them to take this step of faith soon.

The purchase of the property is progressing little by little- please pray that we could possibly complete the purchase before the summer is over. Please pray that the lawyer, owner, mayor, etc. remain honest throughout the entire process.

The family we would like to highlight in this prayer letter is Zacharias and Olga. Zacharias was invited to our church one day as he sat near the outside wall of the church. Zacarias does not often sit down to rest, but it just so happened that he did that day. When Luke gave him a tract, he said he already had a church; Luke replied that this invitation was more than an invitation to church- it was an invitation to a personal relationship with Christ. Since then, Zacharias and his wife (who originally had stated she was too sinful to be saved by grace alone) were saved and baptized in our church. They were married in December, and have been faithful ever since. Their children are all grown and out of the house except for Otavio, their youngest (around 20 yrs.). Otavio has drunk and smoked so heavily that either his mental health is gone, or he may even be demon possessed. Either way, Luke has witnessed to him multiple times, but it never seems to reach his understanding. Please pray for this family; it is very hard on the parents as Otavio can be very destructive and violent at times.
