Dear Brothers and Sisters in Christ,

June 17, 2026

Praise God from whom ALL blessings flow! Although the church's first Sunday was last year May 4th, we waited to celebrate the church's 1st anniversary in June, so that my in-laws could be here for the special service. What a blessing to witness firsthand all that God Almighty has done this past year! What was a service full of lost people last year was now a service full of children of God, many of whom brought relatives and friends for this special

service. We also praise the Lord that 2 children, **Edi** and **Esta** were baptized this month! They had been begging their parents for the past year since their salvation to get baptized, and their parents finally gave them permission! They were so excited, and Esta's mom even visited the church for the first time. **Dulcidio** also was baptized!

We'd also like to begin telling a story of one person/family in our church each prayer letter so that you may "get to know them personally." We will start with Wilson (15), his Mom Laercia, sister Chelsea (10), sister Lavinha (6), and sister Otilia (18). This family literally lives right across the church, and have been coming since day 1 of the church (except for Otilia, who lived in South Africa with her Dad and other brothers up until December). These 5 in the family were saved and baptized last year, and have been such a blessing to our church. They are SO FAITHFUL!

Their #1 prayer request is that their Dad would be saved. Unfortunately, we have not had the opportunity yet to personally witness to him as he lives in South Africa. Lord willing he will visit again in December, so please pray for his salvation!!!

PRAISE: **Sergio and Fausia (saved and baptized) want to get working on their marriage documents!! Praise the Lord!!!**
