Happy Thanksgiving & Merry Christmas

Dec. 2, 2025

**The Lord greatly blessed November for His glory.** First, however, this started with a problem. The church minivan had a severe oil leak which put itself out of service for a little while. We were discouraged about this--especially after hearing that this was going to be at least a \$1,000 fix and expecting a long period of being in the shop. Yet, our God worked wondrously when a mechanic repaired the damage in 3 days for a total of \$280!! Praise the Lord for His great grace!

Another problem that turned into a praise was the planned arrival of **Miguel**, a graduate of a 4-year Bible institute from our sending church. Miguel is fluent in Spanish and English and is praying about being a missionary to Portuguese-speaking Brazil. There were several issues with unexpected visa requirements and flight cancelations (also almost missing a flight). My father-in-law (Miguel's pastor), had to purchase his ticket at least 3 different times. Yet, praise the Lord that Miguel arrived on November 8 and has been a BIG help to us and the church. Lord willing, he will be here until February. Miguel has worked on the church property nearly every day, installing electricity where cable was stolen, directing the Christmas play & Christmas caroling practices, soulwinning, or any other work we need done. Praise the Lord for a temporary laborer!

Luis, one of the faithful teens, invited his friend Augusto to church. Since then, Augusto received Christ, was baptized, and has come faithfully to services. He has been helping Miguel at the property along with some other teens for most of the day. Yesterday, Augusto surprised us. Not only did he say that he has been reading his Bible each day, but he also said that he has been witnessing to some of his lost family and friends!! Praise the Lord for converts excited to grow!! Thank you for your prayers and the very generous Christmas donations!!
