Dear Brethren, (Oct 9, 2026)

What a blessing it is to serve God full time!

God has blessed with so many visitors this month. Hemiltony, Pedro, Luis, and Dom de Deus ("Gift of God") are

just a few of these visitors who have returned and expressed a desire to faithfully attend. **They each have received Christ already with the exception of Luis** (around 19 yrs of age). Luis knows what he needs to do, but has not yet made the decision to be saved. **Please pray for Luis to be saved by the next prayer letter! Pray for the salvation of George, Danilo (Muslim), Mostafa (Muslim from Egypt), Armando, and many others who have yet to accept Christ as their Savior!**

Property & people renovations are exciting! The church property is now officially ours! Pray for the extra details to be processed smoothly. Amancio (with the help of Wilson after school) has been working many hours at the church Monday-Saturday to remodel. We tore down the old wall with our hands and have almost finished a new baptistery. The swimming pool we were using has gotten lots of holes in it. Meanwhile, God has been "remodeling" Amancio's life. He has been living with Monica unmarried and unsaved. **Praise the Lord now that Monica accepted Christ too and has been coming to church. Yesterday night she won a Bible! They plan to get married November 14!!**

At the end of the month we celebrated "Grandparents Day." What an amazing service! **We had 10 grandparents come out, 4 of which were first time visitors.** Since the elderly hardly speak Portuguese, Dercio witnessed in Xitshangana to those who had not yet received Christ. It was difficult to see how many understood since some of them were quite elderly, but we know of one grandmother who received Christ. **Pray for the other elderly people to understand and believe!** Thank You!!
