Dear Friends and Family in Christ,

October 9, 2025

The more we do ministry, the more we realize how great the need is for more laborers! Please do not let a day go by without asking the Lord to **send forth more laborers** into his harvest!

Bus License: We were told that 2 more licenses were required before I could have a bus route (6-9 months of school). However, with more research, the heavy license is sufficient since we're not charging the riders! Praise the Lord for the extra time that we can use for ministry. **The Lord allowed us to purchase a church van through a donation and start a bus route!** Our first two bus route riders asked Jesus to save them on our way to church!!! Luke witnessed to the car lot secretary who taught kids in her church but did not know how to be saved. At the end, she joyfully responded-- "I want to believe (in Christ)!" She prayed right there in her desk to be saved!!

Praise the Lord for many others saved after church services and during evangelism. Alberto (age 14) has been coming for about a month to church. He raised his hand wanting to be saved, but after hearing the gospel, he was still not understanding. After the third time of raising his hand, and hearing the gospel, the lightbulb turned on, and he received Christ as His Savior! Alberto was baptized the next service, and has now been helping us with door-to-door evangelism. This has been the case for many who have now been saved- so don't give up on a person after witnessing to them just one time! Keep on sharing the gospel with them, because a lot of times it takes more than just one time hearing it!

We celebrated "Grandparent Day Sunday" and were blessed to have about 8 grandparents with us (**most of them have not ever professed faith in Christ**) Along with some rice and bread they received, they heard a clear gospel message that Sunday and have all been given gospel literature.
