

March 2026

Dear Praying Friends,

The work of Bible translation around the world continues for God's glory! I am still toiling away at the classes for my PhD. Pray for me—my brain doesn't have the facility with Greek that it used to!

We have been able to visit a few local churches in the Greenville, SC, area to introduce ourselves and the Bible Translation ministry. Along with some ministry partners, I am planning to take a trip to Cameroon in the coming months to help kickoff a new Bible translation project there. My daughter Julia is hoping to be able to join me on that trip. Please pray for the arrangements and funds for that trip.

Our son Jonathan would like to continue his studies in engineering by specializing in motorsports engineering at Politecnico di Torino International University in Turin, Italy. He and Julia will be traveling to Italy in April so he can take the entrance exam. Please pray for their trip and for his test—and that God's will be done in Jon's life regarding his future education.

Jenn and I have been involved with the ESL (teaching English to speakers of other languages) program at our church. I have a class of several men, some of whom are Muslim. Please pray with me for opportunities to present the Gospel and for their hearts to be receptive.

Thank you for your love and prayers for us and the work of Bible Translation!

For His Word,

Dan and Jenn Olachea
