

May 2026

Happy Spring! I (Dan) continue to work on my doctorate, which takes up most of my free time. Jenn and I have visited a few churches in the area to introduce ourselves to the pastors and share information about WorldView ministries.

Translation Prayer Request

Please pray for the Liangmai translation project and the couple who oversees that work. Tribal fighting has escalated near the translation office and will most likely affect the home village of some of the translators. Pray for peace, protection, and an end to the fighting.

Family Prayer Request

Our son, Jonathan, is spending the next 4 months in Healy, Alaska, working at a resort as an ATV tour guide. Please pray for his safety and for his personal growth and spiritual maturity. We are pleased that he is stepping out in faith on this new adventure. Pray for guidance as he looks toward continuing his education in the fall.

Thank you for your prayer support!
