December 2025

Dear Pastor and Friends in the ministry,

In the beginning was the Word and the Word was with God, and the Word was God. John 1:1
As we celebrate the Christmas season this year we are remind of the glorious birth of our Savior, who came down from heaven to be born in a lowly stable. What a blessed thought that Jesus was willing to come to die on the cross and be buried and rise again to be our eternal Savior. The Word became flesh to accomplish the work of our great salvation – the miracle of God being with us, as Matthew wrote in his gospel.

We have enjoyed the Thanksgiving celebrations with our church family on Thankful Sunday with a little over 200 in attendance for the lunch. What an abundance of food and a great time of fellowship. It was a blessing to be a part of decorating and getting tables and chairs for those attending. We were also excited that our children and grandchildren could all be together at our home. Our Prime Timers even squeezed in a trip out to an apple farm and lunch together.

I was able to order a large number of tracts. “The Lord is My Shepherd.” We have given out over 100 of these in the past two months of November and December. It was a blessing to see a favorable response of those who received a tract. Pray that God will use His Word to speak to those who read it.

In December we enjoyed attending a Christmas homeschool choir with three of our grandchildren in the performance. The concert was in a large church as there were over 150 young people in the choir. It was an amazing concert. We also attended their Christmas plays. What a tremendous blessing to see them all faithful in church and using their talents for the Lord. Our church had a great cantata and play and our pastor saw the building filled and some chairs in the aisle.

As we look back over 2025, there are so many blessings we do not have room to share them all, but we are so grateful to the Lord for supplying all of our needs and so many of our wants. As the new will soon be here we are anticipating what the Lord has for us in this year ahead. As ARM members, we hope to do a fill-in for a furloughing missionary.

Thank you Pastor, supporting churches and friends for all your prayers and giving this past year. We are truly grateful and appreciate your kindness to us. The Lord may come this year and let us be found working and sharing the gospel with the lost. May God bring more people into our lives that need the Lord’s salvation and forgiveness.

Sincerely in the Lord’s work,

Glenn and Charlotte Palmer
