July 2026

Dear Pastor and Friends in the Lord,

"These things have I written unto you that believe on the name of the Son of God that ye may know that ye have eternal life, and that ye may believe on the name of the Son of God." I John 5:13 This is the message that people need to hear, that they can have eternal life and forgiveness of sin, which will lead to a home in heaven with God, through believing in Jesus Christ's death, burial and resurrection. This is the wonderful gospel message. Yet, there are many who have never heard this message so we have the opportunity to share this wonderful truth with those around the world through the work of missionaries.

These past two months of May and June have been busy ones. We attended the annual Armed Forces Day parade here in Chattanooga, Tennessee, honoring 77th years of service. What a blessing to see so many young men and women take part in this. They realized their part in protecting freedom and liberty. We also arranged an outing to a Strawberry Festival with our Prime Timers at church. Our three grandchildren were in an over one hundred member home school choir concert. This concert included several songs to honor the veterans and active service members who were present and to celebrate the 250th birthday of the United States of America.

Our church hosted a men's retreat and it was a blessing to have time to share the Bible principles for improving your home and families. The food and fellowship was wonderful.

We are blessed to continue with the bus ministry. One of our bus riders got saved and we were all so excited. I also enjoyed teaching a thirteen week Sunday school lesson about mountains and valleys of the Bible to the adult class.

We made a trip to Virginia, where we were in three of our supporting churches. It was a real joy to see these dear folks again. There was also some time to see family and friends.

The blessings kept coming as we got to help with Vacation Bible School for a whole week. I love being the door greeter to all the parents and children who come. God blessed and we had two saved in the VBS. The Lord blessed His Word as it was preached and taught.

Our children kindly requested that we move to a one-floor house as we are having a few more birthdays. It will certainly be better than managing steps each day. So the end of this week the furniture is being moved along with our probably too many possessions. We had a wonderful Mother's Day and Father's Day with our children and grandchildren.

Calvary Baptist Church in England continues to grow stronger. Pray for the camps in Armenia and Moldova where our dear friends are working so hard to reach young people with the gospel message of Jesus Christ.

Thank you all for your faithful prayers and financial support. We are so grateful to be serving together with you in the Lord's work. May the Lord richly bless each of you as you serve Him where you are.

Sincerely in the Lord's harvest fields,

Glenn and Charlotte Palmer
