Dear Pastor Friends of our ministry,

"Mine eye affecteth mine heart because of all the daughters of my city" Lamentations 3:50. This verse has become so real to me as I look all around and realize there are so many precious souls without the Lord Jesus as their Saviour. The world system has so blinded many as to the real truth of salvation in Jesus Christ. This same attitude is what I saw way back in 1975 when I went to England to visit my family. The Lord used this verse to affect my heart of reaching the people there with the gospel. So in 1984 our family went to England to share this wonderful news of salvation. Even after all these years, my heart is still tender to sharing salvation in Jesus with the lost. I am giving out the tract "The Lord Is My Shepherd" while shopping, at the doctor's office, at the gas station, the car garage and to my surprise, not one person has refused it.

We have been blessed to have a whole Sunday service at a church that needs a pastor. It was a joy to meet new folks and to serve the Lord. We continue to stay busy at our sending church with ministries in the bus work, nursery, Bible class and teaching Sunday school on a rota. We also organize outings for the Prime Timers and visit some of the sick and shut-ins. We also help with meals in our church fellowship hall after the services for two funerals. It was a great joy to be a blessing to these dear families. Our ladies at the church prepared some outstanding dishes.

An opportunity has opened to fill in for furloughing missionaries in England. Please pray with us about this.

Glenn had a milestone birthday in January with a special family party with a lovely home cooked meal, delicious chocolate cake, and special gifts. He also received texts and messages from folks in several foreign countries where he has been a blessing over the years. I do not plan to slow down because birthdays are just a number.

It is a blessing to report the Calvary Baptist Church in Spalding is doing well. Also two containers with precious items have arrived in Armenia and passed customs so the needful things are now in their warehouse to be distributed.

As this letter closes my heart is in prayer for our great nation of the USA. We are in need of a great revival to experience God's power in our lives and compassion for the lost here as well as abroad. Let us devote ourselves to the Lord's work and serve in His harvest fields.

Thank you for your prayers and financial support. We count it a privilege to serve with you in the Great Commission.

Sincerely in the Lord's work,

Glenn and Charlotte Palmer
