Dear Pastor and Friends in the Lord,

Colossians 1:10 That ye might walk worthy of the Lord unto all pleasing, being fruitful in every good work, and increasing in the knowledge of God.

We certainly desire to walk worthy of the Lord and always try to learn more about our great God.

We have had a busy two months of July and August. There has certainly been some very hot weather this year which is a big change for us as we were so used to the much cooler summers for so many years in England since 1984. Now the Lord has given us the opportunity to go back to England for two months to fill-in for a furloughing missionary. We will be at Trinity Baptist Church in Market Harborough. We will be there before you receive this letter. The temperature will be much milder.

The Lord gave us an opportunity to be in a great Mission Conference in Virginia and we were able to visit other supporting churches. We enjoyed going to a special Homecoming Service in a church where Charlotte attended as a young girl and teenager. It was a blessing to see old friends and enjoy a great meal and special singing afterwards.

During July and August we also moved into a house with no stairs as requested by our children who are concerned for our safety and comfort. It was a lot of work but all the family got involved and even hired movers to handle the heavy furniture. What a blessing to have their help. We certainly could see their concern and we are enjoying our home. There are still some boxes to empty but that will have to wait until we return from England. We are also thankful for our son, James and his wife Brittany for all their computer work to book our airline tickets, insurance, and documents. It seems much more complicated to travel than it was several years ago. A dear friend is taking us to the airport and we are trusting the Lord to get us where we need to be. Charlotte has already been contacted by a pastor's wife to speak at their ladies meeting. It is a church that we filled-in several years ago.

There is such a tremendous need for missionaries all around the world as we see our time fleeting away to the night when no man can work. Pray for more workers to surrender to God's call. There are so many lost souls who need to hear the plan of salvation and have an opportunity to trust Christ as Saviour.

Calvary Baptist in Spalding, England which we started in 1985 has just added a couple to their membership. We are excited to see how God is blessing.

Please pray for us as we serve in England. Our desire is to be used by the Lord for His glory. Thank you for your prayers and financial support because without our precious supporters we could not do this work. We need your prayers. May God bless you where you are serving Him.

Sincerely in the Lord's work,

Glenn and Charlotte Palmer
