Dear Co-laborers,

Though this is our prayer letter for November, you won't be receiving it until December, so we want to wish you all a Merry Christmas. We pray that all your outreaches and events are a great success and that the Lord is magnified in all that you do for Him. We are excited to share all that the Lord has done in our ministry for Him here in Peru.

Patrick's teaching continues and appears to be set to grow next year. He has been contacted by several men that wish to take his classes as part of their seminary training. The unfortunate nature of seminary is that in order to have teachers, the cost must rise and that leaves out so many here that feel called to God's ministry. Patrick charges nothing and is open to all with a clear testimony and a calling to serve. Pray that God continues to open doors so that Christ's Word will continue to be spread.

Teresa's ministry is also moving forward and growing. She just came back from a trip to the jungles of San Ramon. This event was a whirlwind and much more packed than any other she's had. She taught three times a day, worked at the church there, and also counseled many women. It was a huge success, and many hearts were healed and wounds covered by the blood of Christ.

She has been invited back to teach again as they couldn't fit all those that wanted to be there into the classes. Patrick has also been invited to teach a class for men as well as Bible classes. Not until we stepped into this role did we realize the massive dearth of solid teaching of the Bible. For many of us in the ministry, much of what we see as common knowledge is lacking for those we serve. Pray that God continues to bless as we go throughout Peru proclaiming His Word.

On a personal note, we normally invite Peruvians over to celebrate Thanksgiving, and this year was no different. Though we do celebrate as we normally would, we use this time to be a witness. We had seven guests and made sure to share the gospel and the whole reason we celebrate. Pray for the seven souls that so desperately need Christ.

We also wanted to mention that we marked last month's prayer letter as November. We apologize for the error, so please mark them accordingly if the dates affect how you use our letters. We cannot say thank you enough to those back home holding the ropes.

Please feel free to reach out to us via email at Trulyisplenteous@gmail.com or through our Facebook page at "Pruetts in Perú" or on Instagram at [Pruetts_in_Peru](https://www.instagram.com/pruetts_in_peru). From the bottom of our hearts, we are thankful for your endless prayer support. Your prayers are so precious to us, and we are so blessed to have prayer partners like you. We cannot do what God has asked us to do without you. Thank you!
