Literature Distribution

One of our ministries here in Colombia has been getting gospel literature to churches that need it throughout Colombia. In December, I made the six hour trip to Cartago with my SUV full of Bibles and tracts for the churches there. I was able to preach in two churches in that area and was encouraged by the fellowship with Pastor Juan Bautista and his family. It is a blessing to be able to see God use Colombian national pastors and also to be able to provide Bibles and tracts whenever needed.

Anniversary Service

We have now officially completed 10 years on the mission field and our church recently celebrated its 9th anniversary service. We gave away special coffee cups, had a big meal, and invited as many people as possible to come and celebrate, and more importantly, to hear the gospel. Praise the Lord we had close to 150 people attend and three souls were saved after the service. God has been good to us and we are thankful for all that He has done in our church over the last nine years. We look forward to possibly starting a second church plant next year in a different city by sending and helping one of the men we have trained. We will update you as that plan progresses.

Christmas Musical

Another opportunity to preach the gospel to the lost was our youth Christmas play. The young people and their leaders really went all out this year and produced a very high quality Christmas play and musical. We printed special invitations and invited family members and friends. Many visitors came and saw the play and then heard the gospel afterwards. What a blessing to celebrate our Savior's birth!

Help is on the way!

We have been praying for years that God would call and send more missionaries to Colombia and God is answering that prayer. In December, Cathy Jo Demcak was approved as the newest BIMi missionary to Colombia and will be working with us here in Rionegro. She has spent three summers helping us on short term trips and has always been a tremendous blessing. We enthusiastically recommend her if your church is looking for a new missionary to support. Her phone number is 208-337-2811.
