Vacation Bible School

Last month we had our annual VBS and the Lord blessed as always. Our theme this year was Patch the Pirate goes to the jungle. We decorated the church in jungle decorations and had a five part play that we did every night before the message. The kids really loved it! I have even heard from people who watched the play online that their kids enjoyed it. We did not have as high attendance as in years past but still had 180 different kids come with our largest attendance being 120 on the last night. In addition to the 180 kids, we had many parents come and hear the gospel each night with their children. I was very proud of all our workers and leaders from our church for all their hard work. Thank you for praying for this big event.

Visit from my Pastor

We were blessed recently to receive a visit from my Pastor and his son for a week. He preached a three-day conference for us and the people really enjoyed the preaching. The Sunday he was here we had a soul saved after the service. Thank you Pastor Tinsley and Liberty Baptist Church in Fort Pierce for many years of faithful support.

Ministry in Santa Marta

We were able to visit the new church plant in Santa Marta with Pastor Tinsley and I was very pleased with how things are progressing. The church now has several families faithfully attending and some are people that were reached during the crusade in April. One faithful family told me that I had given the son an invite while evangelizing his neighborhood in April. They did not come to the campaign, but I was blessed to see them attending the church faithfully. Some of these people are still not saved so please pray for their salvation and for more visitors. The Duarte family is doing an excellent job with the new church. Thank you again for your prayers and support.
