A Busy End of the Year

The last few months of the year are always a busy time in our ministry and this year was no exception. In November, Elisabeth held a ladies meeting to help encourage the women in the church. As always, she did a great job encouraging them and it was well attended. In December, we had our 11th anniversary service in which we had 190 people attend! We saw five salvation decisions after the service and there was a great spirit. We had overflow seating for people in the parking lot which reminded me of the great need to finish. One man who was seated way out in the parking lot even got saved! We also had our teen camp in December with teens from four different churches. Twenty of the teens were from our church and several were saved. After camp, three of our teens asked to be baptized which was a huge blessing to me personally.

Christmas Thank You

This year Elisabeth organized a way for people in the States to send Christmas presents via Amazon.com for the Colombian children in our church. Many of you generously bought a gift and we were able to present 55 Colombian children with a nice gift during our Christmas party. This was the first year we have done something like this and the children were very excited and also very grateful. Thank you very much to all of you who sent these gifts and put a smile on these kids faces.

New Missionary!

In December, we were excited to welcome Cathy Jo Demcak who is a new BIMBI missionary to Colombia. Miss Demcak surrendered to full time missions in 2019 during a missions conference I was preaching at in Idaho. She has spent multiple summers with us on short term missions trips but is now here full time to work with us. Please pray for her as she gets settled in, adjusts to Colombian culture, and attends language school. Thank you all again for your faithful prayers and support. God is good!
