Evangelistic Crusade

In the month of April we held an evangelistic crusade in the city of Santa Marta to help the new church plant there. We had a great team of about twenty people who worked hard all week to go out soul winning and invite people to come to the evening services. The heat was so intense that just a few hours in the sun could easily make a person sick from dehydration. Despite the challenges, the Lord allowed us to get out about 25,000 gospel tracts and invites to the event. Each night of the crusade we saw people come to the service and each night we saw people saved. In total, we had ten professions of faith and the Lord blessed tremendously. The Duartes (the missionaries we trained) have continued to hold church services and the Lord has blessed with several faithful families attending weekly. Please pray for this new work to continue to grow and move forward.

Ministry in Rionegro

In May our church in Rionegro held a ladies meeting and saw around 40 ladies participate. Elisabeth always does a great job organizing and is a tremendous blessing to our ladies. We are hoping to do a ladies camp later in the year.

We have recently seen a number of new families trust Christ and many have been baptized. As a result our weekly attendance has been growing. Last Sunday we had 107 in attendance and none of them were first time visitors. Our plans to expand our auditorium (double its capacity) continue to march forward. We are almost done with the architectural plans and will be submitting for permits soon. Our building fund continues to grow as a number of churches have sent donations to help with the expansion project.

In June we will have our VBS and would ask for prayer for souls to be saved. Thank you again for your prayers and support.
