TO SEEK & SAVE COLOMBIA

Beloved, when I gave all diligence to write unto you of the common salvation, it was needful for me to write unto you, and exhort you that ye should earnestly contend for the faith which was once delivered unto the saints. -Jude 3

Nov-Dec 2025 Prayer Letter

Many souls saved

The last few months the Lord has continued to blessed with an abundant harvest of souls. In October we had a salvation Sunday and saw five trust Christ (including some we had prayed for years to be saved). We have also just in general seen people coming to Christ almost every week both on Sunday and Wednesday night services. Our visitation group was up to 34 last week and we praise the Lord for the church being encouraged in reaching their city with the gospel. It is not uncommon for our church to pass out 2,000 tracts each week. I also had the privilege of preaching an evangelistic crusade in the city of Cartagena and we saw over a dozen decisions there as well. God is good as we know that in due season we will reap if we faint not.

- Many new students in Bible Institute
- Church in Santa Marta growing
- A lot of new souls saved

Missions Conference and Bible Institute

In September we had our five day missions conference with missionary Matt Johnson. The Lord blessed us greatly with the preaching and our church greatly increased its Faith-promise missions giving pledge. We now support ten missionaries and hope to take on more soon. I also was encouraged to see a great increase in students taking classes in our Bible Institute. I have a good group from our church but also a lot of online students in Santa Marta, Cartagena, and even Ecuador! We have worked hard to have quality classes and quality online videos and modules. This is the first class that the students can join in live and even ask questions. The new system seems to be working well.

Other News

We are excited for the arrival of BIMI missionary Cathy Jo Demcak this upcoming December. Pray for her as she makes this huge transition to living in Colombia and starting language school. The church in Santa Marta also continues to grow and we are excited for what the Lord is doing there. Please also pray for our building permits to be approved so we can start our auditorium addition.
