Prayer Requests

- More souls to be saved and discipled
- New building project funds and permits
- Church in Santa Marta to grow

The work continues

The last few months the Lord has continued to bless the ministry here in Rionegro with souls saved, new believers discipled, and baptisms. Our visitation group has been faithfully preaching the Word on Saturdays and we continue to see a good group each week. We recently had a youth activity where we played games with the young people, ate pizza, and preached the Word. The Lord seems to be blessing our youth as we have a growing number of them that are very committed to serving the Lord and seem to have given their hearts unconditionally to Christ. Elisabeth recently started an English class before our Sunday night service and it has turned out to surpass our expectations in attendance. She has had around 30 students each class and some of those are visitors. As a result, our Sunday night attendance has increased as well.

Ministry in Santa Marta

The ministry in Santa Marta continues to go well as the Duartes have a core group faithfully attending the services. Pastor Duarte is discipling several of these new believers. They also are faithfully evangelizing the neighborhoods of Santa Marta and we are thankful for what God is doing there. Please continue to pray for them and for the church to grow.

Upcoming plans

We are excited for the arrival of BIMI missionary Cathy Jo Demcak this upcoming December. She is finishing up her deputation and will be working with us full-time here in Rionegro. Our church also just voted to proceed with the auditorium addition plans. We are finalizing the plans and applying for permits in order to double our auditorium and classroom space. We also are about to start our missions conference and expect the Lord to touch the hearts of our people. Thank you again for your faithful prayers and support.
