Opportunities to Preach the Gospel

In July we had the privilege of traveling to Guatemala to preach a youth conference. The Lord blessed tremendously and we saw several teens receive Christ as well as many decisions made. Perhaps the greatest blessing was being able to enter a public school in Guatemala City and preach to around 700 teens and young people. We pray that the Lord will use the seeds that were sown in these young hearts.

Ladies Camp

This year Elisabeth and the other missionary ladies worked hard to host our first ever ladies camp. They were blessed with over forty ladies from our church attending and the Lord truly blessed. We saw many decisions made for the Lord we have seen lasting fruit from these decisions. We have teen camp coming up in October so please pray that the Lord would use that as well.

Answered Pray for a Van

We want to praise the Lord for answering our prayers and providing us with a new church van for our Rionegro church. As you know, our other van has been operating at our church in Santa Marta and we had a tremendous need for another van to replace it. We would like to thank all those who contributed to this purchase. May the Lord bless your generosity. We are already putting the van to work in the ministry!

Conferences and record attendance

Lately we have been breaking attendance records at our Rionegro church. We have had several weeks in a row with 120 in attendance and recently hosted a Bible conference in which we were packed out every night. Thankfully we are well on our way to having our permits approved to start our auditorium expansion. Please continue to pray that the permits would be approved and that we could start construction soon. We really need the space. Thank you again for your prayers and support.
