## MARCH—APRIL 2026 PRAYER LETTER

Dear Pastor & Friends:

Greetings in the name of our Saviour, Jesus Christ. Thank you for praying for your missionaries around the world.

We have been busy in March with arranging with four printing ministries that print the Tagalog Scriptures and Gospel tracts for the Philippines. We are getting 60 tons of literature this year for our different soul-winning ministries all over the Philippines. It costs about \$5,000 to ship 20 tons of Scriptures and deliver to the distribution center in the Philippines. **We depend on love offerings to meet this great need,,,,,,will you consider helping us in the next couple of months?**

The Philippine government does promote the Bible to be used in the public schools throughout the country. Missionaries and national Pastors are declaring the Gospel among the military, the Police stations as well as in Local Government offices. Being a Catholic country the people are curious about the God of the Bible. Many people are drawn to Baptist churches to hear about Jesus as the only true

Saviour and the only Mediator between God and man— I Tim.2:5

The Lord is using these Scriptures is a mighty way in the Philippines. They must have God's Word to establish strong Christians and strong Churches. The Bible states in Psalms 68:11—The Lord gave the word: great was the company of those that published it.

We must deliver God's Word to the Philippines or they will perish.

John 3:16

The next few weeks Cheryl and I have a few doctors appointments. I will be having an MRI on my kidneys to see why my protein level has gone down. I feel ok but my doctor wants a complete check-up for me. Pray as we travel in the next couple of months to preach and present the need of funds to ship the containers of Scriptures to the Philippines.

**Divine Appointments:** While Cheryl and I were in a hotel in north Georgia for a Missions Conference I gave a tract to a middle age man in the lobby. He said he was saved and was passing through the area. He asked what our ministry was and I explained about shipping containers of Bibles to the Philippines. He looked me in the eye...God will supply your need today. He went away and 10 minutes later he came back and said the Lord wanted him to give \$3,000 toward shipping Bibles and handed me cash. That was Richard from South Carolina obeying God's will when he saw the need. What a divine appointment when I offered a tract to a stranger in a hotel. **Our God works in mysterious ways.** Thank you for praying. Amen.
