AUGUST 2026

VISION BAPTIST MISSIONS

EARTHQUAKE, EVANGELISM & SEMINARY

Earthquake in Colombia:

- On Monday morning, August 10, around 7:30 a.m., we were getting ready to leave the house when the strongest earthquake we have ever felt struck.
  - A **7.4-magnitude quake** shook us for what felt like two minutes.
  - Everything in the house moved—including the walls. It felt as if we were on a boat being tossed back and forth by the waves.
- **Praise the Lord—we are all safe, and our house is still standing.**
  - There are cracks in the walls, but the Lord kept us.
- Sadly, about three hours south of us, closer to the epicenter, the suffering has been far greater:
  - **335** people dead (so far)
  - **4,516** injured
  - More than **35,000** homes destroyed and more than **200,000** damaged
  - **758** buildings collapsed
- Please pray for the many who are hurting. We have already **sent help and Gospel tracts** to the region. We believe God will work in their hearts during this time of need.

Children's Evangelism:

- In August the Lord allowed us to begin a new ministry: **children's evangelism**.
  - Some of the children from our church had T-shirts made and **designed their own Gospel tracts.** Then they went out into the community to invite other children.
  - It was a great success! **The very next day God blessed us with visitors.**
- Please pray that these children will keep a burden for souls and that many families will be reached through them.

Seminario Vision:

- This month we also were able to start with the seminary.
  - **Five young students** have enrolled to study so they can serve the Lord full time.
  - We are starting with weekly classes in New Testament Survey, Apologetics, the Trinity, Christian Ethics, Prayer, and a few other courses.
  - **Please pray for the teachers, the students, and their parents**—and that God would use all of us in a great and mighty way.
