

Dear Supporters,

It is a real delight for us to let you know about our work here in Spain. We hope, and it is our sincere desire, that, upon receiving this letter, the Lord would be blessing your life and ministries. God is really good. There is no way that we may do something for the Lord in vain. That is why we share the following news:

Pray for Bro. Mario: This man is from Mozambique, South-East of Africa. He is waiting for permission to start work on June 4th. Please pray for him. He was faithfully attending our church until a few weeks ago when the authorities sent him to Salamanca, a couple of hours from us. This is until he gets a green card to be able to work legally in Spain. He is waiting and desiring to come back to our church. As soon as he gets his authority, he will start the paperwork to bring his wife and two children with him!

Some Good News: I have previously told you in another prayer letters about Bro. Jorge and his dear wife, Patricia. They are hoping to see their daughters after many months without seeing them personally. Well, finally, his madre (mother), Yolanda, and their two young ladies are coming to Spain on May 8th!!

Please join in prayer with us about a Water Baptismal Service. In a couple of months, we are going to baptize four people. I am in the process of buying a small swimming pool to have installed inside the church.

Pray for the Youth Group we have started. A short time ago we did not have a group for young people, but now there are two families with two teenagers in each family coming. Some of them are unsaved. Please pray for their salvation and their growth. Here you may see a picture. The leaders are Bro. Carlos and his dear wife Lorena.

Special Meeting for Matrimonies: On the last Saturday of February, we held a special meeting with the matrimonies (married couples) of the church. We had some games, I preached a proper message for the occasion, and then we had a very good dinner. Here is the proof.

Regarding Church Music: Two years ago, we started trying to teach and emphasize good music at church. We started with some instruments and the choir. Some of them do not have as we say, a musical ear, but some are trying hard to get into the tune. But the heart is there. They are willing to serve and praise their Lord with their instruments and their voices!
