Dear Praying Friends,

Thank you so much, to the many, who have reached out with prayers and encouraging words since my last letter. The Lord has continued to guide one step at a time as I continue to seek Him for direction.

Since my last update, I have relocated to Chattanooga, TN to assist at BIMI's Home Office for the summer. I have been involved in a variety of tasks in the brief time that I have been here. It has been a blessing to be a part in helping others pursue Missions. This was particularly true during the first of many events that will be held at BIMI this summer- Candidate School. I was very excited and encouraged to see all of the new and returning Candidates. It is wonderful to see more laborers prepare for the field God has called them to.

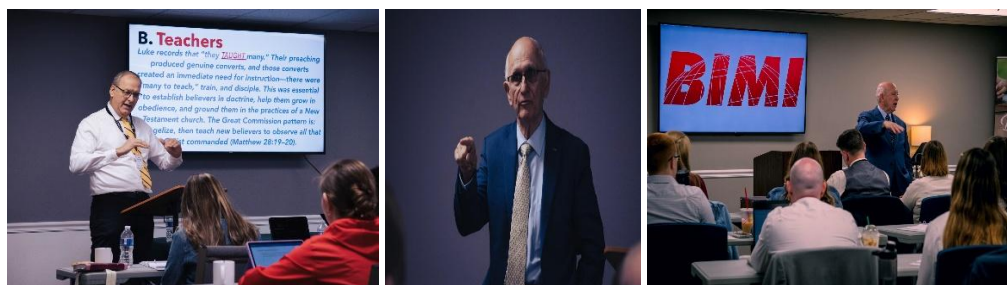

Thank you to everyone who has prayed for a safe location for the Kids Bible Club in Oodi Village. I received word yesterday that God has opened the door for them to begin meeting at a Primary School that is only about a two-minute walk from where they currently meet. Those over the school gave only one stipulation... they asked that their entire school would be able to attend! What an amazing open door the Lord has provided! So many more children will now have the opportunity to hear the Gospel.

Recently it was decided that it would be better for me to return to Botswana, sooner rather than later, to wrap up a few things, say goodbyes, and to gather a few belongings. Lord willing, I will be leaving this week and will be returning at the end of next week to continue working at the Home Office. Please pray that God will use me as I plan to visit the kids at Gabane Private School during my visit. I would also appreciate prayers for strength and health as it will be a very brief, but extremely busy trip.

I cannot begin to express my gratitude for your continued prayers and support during this time. Thank you for the many emails and cards with words of encouragement. As I continue seeing specialists and have tests performed, I am so thankful that we can trust God fully and completely no matter what may come.

Thank you,

Summer
